

**INDIAN INSTITUTES OF SCIENCE EDUCATION  
AND RESEARCH ( IISER )  
KOLKATA and PUNE**

The Government of India, through the Ministry of Human Resource Development (MHRD), has created two Science Institutes, patterned after the Indian Institute of Science (IISc), Bangalore, in terms of high quality research in basic sciences, but with additional education program in the form of an integrated five year Masters curriculum **following class XII of our school system (or its equivalent)**. Each IISER is an autonomous degree awarding Institution. The central theme of IISERs is to integrate education with research so that undergraduate and postgraduate teaching as well as doctoral and post doctoral research works is carried out in symbiosis. For further details of IISER, please visit [www.iiserpune.ac.in](http://www.iiserpune.ac.in)

Only those students who qualify in the following examinations will be eligible for consideration for admittance to the First year of the 5-year integrated Masters programme at the above two Indian Institutes of Science Education and Research ( IISERs )
